

## **FLANDERS INVESTMENT & TRADE**

**Marc Van der Linden, Advisor International Trade at Flanders Investment & Trade**

Marc Van der Linden is Advisor International Trade at the Antwerp office of Flanders Investment and Trade (FIT). FIT promotes international enterprise in Flanders in a sustainable way as a key factor in the social and economic development of our region. FIT does so by supporting the international activities of Flemish companies and by attracting foreign investors to Flanders. Prior to his actual function at FIT, Marc had different positions at the FIT head office in Brussels, and was head of the FIT-offices in Cologne and Helsinki.

Before joining FIT, Marc was product manager at GE Power Controls in Ghent.

Marc Van der Linden holds a Master in Electromechanical Engineering Technology from the University of Antwerp.
